## Pilot Boats / $\pi$ 50 Series

### Pilot and Patrol Boats

The Pi series is a range of pilot boats from 14 to 21 meters.

- Proven performance, reliability, safety and comfort for the pilots.
- Aluminum: Tough, durable, light, easy to repair.
- The Pi series is fabricated of classification society certified marine Aluminum sheets and profiles.
- Aluminum is 100% recyclable, an increasingly important issue in a greener world.

### Safety first:

A Pilot is a highly qualified professional. He must arrive at the ship bridge in the right frame of mind to give his best attention to the safety of the vessel. Pilot comfort is not a luxury: it is a Safety of Navigation issue.
